

To-Do Before a Remodeling Project

CHECKLIST // provided by THE HARRISONBURG HOMES TEAM @ Kline May Realty

- Download the Remodeling Planner + Budget Worksheet at harrisonblog.com/worksheets-printables
- Obtain estimates from 3-4 licensed contractors + add to your Remodeling Planner + Budget Worksheet
- Choose a start time that works for your schedule
- Set an agenda with the contractor(s) + fill in the project timeline on your Remodeling Planner + Budget Worksheet
- Get project outlined in writing by the contractor(s) – a well-written contract signed by all parties prevents mistakes, additions, and budget changes
- Purchase as much of the materials up front to decrease lag time
- Set up a payment schedule before the start of the project
- Plan ahead and be prepared if a portion of your home will be out of commission during any part of the project
- * After the remodel, remember to record this project on your Home Updates Tracker (available at harrisonblog.com/worksheets-printables)
